## Call Before You Dig

Planning a home improvement job? Planting a tree? Installing a 456-3259 fence or deck? WAIT! Here's what you need to know first:

Whether you are planning to do it yourself or hire a professional, smart digging means calling **811** before each job. Homeowners often make risky assumptions about whether or not they should get their utility lines marked, but every digging job requires a call – even small projects like planting trees and shrubs.

KNOW WHAT'S BELOW. CALL 811 BEFORE YOU DIG

**TOP:** Employees help members sign up for a \$25 bill credit. **RIGHT:** Connie Bootz visits with members as they help themselves to some popcorn.

## KBJM Farm & Home Show

March 9th turned out to be a great day for the 2018 KBJM 374-5346 Farm and Home Show in Lemmon. WRCTC, along with Grand Electric, were among the many businesses that had a booth at the Beeler Community Building. If you were one of the many individuals who attended the Farm and Home Show, you may have stopped by our booth to grab a bag of popcorn, chat with us about our services or sign up for one of two \$25 bill credits. Connie Bootz, Bonnie Sander, Kay Grinsteiner, Eric Kahler, 257-2748 Andy Arthur and Tyrell Ellingson were on hand to answer any questions.

Donna Creighton and Pat Odenbach, both from Lemmon, will have a little extra spending money in April as they were the winners of the \$25 bill 788-2919 credits. Congratulations, Donna and Pat! Thank you to everyone who attended the KBJM Farm and Home Show and to those who stopped by 456-1418 our booth.
