ATTENTION BUSINESSES: How Many Authorized Users are on Your Business Account?

To protect the privacy of information contained in your telephone account, WRCTC is only allowed to discuss account information with the person(s) listed on the account. This includes businesses. We must authenticate you (confirm your identity) before sharing account information. This is done by asking you two questions pertaining to your account that only you, as the account holder, would know.

As a business, you 456-9885 may want to check who is an authorized user on your account. If an employee retires or resigns, you may need to update your account. Also, if the account is listed ONLY in the business' name, 244-5928 you might want to consider adding an authorized user, or multiple users, to discuss account changes, payments or any other account data with our company.

Interested in adding or removing an authorized user? You will 375-3504 need to fill out an authorized user form. This form can be found on our website, www.wrctc.coop, or you may call our office at 777 or 605-244-5213 and one of Customer Service Representatives will be happy to help you. 456-2423
